

"A-Rafting We Will Go!"

TO MAKE A CORACLE

HAMMER A NUMBER OF STAKES INTO THE GROUND IN A 5-FOOT CIRCLE. DRIVE IN A 6-FOOT CIRCLE OF STAKES AROUND IT. FILL THE SPACE BETWEEN THE CIRCLES WITH BRUSH.

TIE THE BRUSH INTO A CRUDE WREATH WITH BINDER TWINE. MAKE A SHIPER WEB OF ROPE INSIDE THE WREATH. PLACE WREATH ON A LARGE WATER-PROOF TARP.

WRAP THE TARP FIRMLY AROUND THE WREATH AND TIE IT DOWN. PLACE A LAYER OF STICKS INSIDE THE WREATH FOR SEATING. THEN LAUNCH YOUR CORACLE.
